

## World Summit of PLC Associations

Brussels - June 10, 2003

### Welcome Address

**Sergio Rogai**  
Chairman of the PLCforum Association

### Why a World Summit?

- **A key period for broadband PLC worldwide**
  - A window of opportunity is open for PLC access solutions
  - The market for in-home PLC solutions is emerging
- **Therefore, it should benefit the PLC industry worldwide that all leading PLC associations can**
  - better get to know each other
  - exchange information and viewpoints on commercial, technical and regulatory issues
  - find stronger synergies in their activities
